RE: Public Records Request, dated June 22, 2020, Reference # P012409-062220

Dear A. T.:

The San Francisco Police Department (SFPD) received your Public Records Act request, dated June 22, 2020.

You requested, "To Whom It May Concern:

Pursuant to the California Public Records Act § 6250 et seq, I hereby request the following records:

I am requesting immediate disclosure of any records and data related to the source of initiated passing calls and the initiators of passing calls, including the SFPD, between January 2019 and June 2020. I am also requesting data that indicated the location to which the passing call was dispatched, between January 2019 and June 2020."

On June 23, SFPD acknowledged your request, and informed you that the 10-day maximum deadline to respond applies. Please refer to California Government Code Section 6253(c). Furthermore, we informed you to contact DEM for the second part of your request, relating to dispatched calls.

As for your request for "I am requesting immediate disclosure of any records and data related to the source of initiated passing calls and the initiators of passing calls, including the SFPD, between January 2019 and June 2020," SFPD is invoking the extension of time to respond to your request pursuant to Government Code section 6253(c) because of the need to consult with another division of the agency. Once it has been determined whether the information you request is available, we will advise you within 14 days but no later than by July 16th.

Thank you for your courtesy in this regard.

Sincerely,

Lt. R. Andrew Cox #287
Officer in Charge

Risk Management - Legal Division
